

SCOIL MUIRE GAN SMÁL

ATTENDANCE STRATEGY

1. SCOPE

This strategy applies to the students, staff and parents of Scoil Mhuire gan Smál and relates to all aspects of school attendance and punctuality. This strategy was drawn up in consultation with all the school partners, including the Board of Management, staff, parents and students.

2. RELATIONSHIP TO THE SCHOOL'S MISSION, VISION AND AIMS

At SMGS Blarney, we are committed to encouraging our students to develop a pattern of regular and punctual attendance in order to benefit fully from the education provided. Without such a pattern of regular attendance, it is not possible to “*Develop desirable qualities such as self-esteem, enthusiasm for learning, leadership, caring and consideration for others*”

(Ref: School Mission Statement)

The Attendance Policy of SMGS involves helping each student develop to his / her full potential, both socially and educationally. In SMGS we believe this can only happen where each student is encouraged to attend punctually every day.

3. RATIONALE

In SMGS we have identified attendance and punctuality as an area of focus. This strategy is intended to foster a good mature attitude towards attendance and punctuality.

4. OBJECTIVES

Through implementation of this strategy SMGS expects to:

- To encourage full attendance at school.
- To highlight the importance of punctuality and attendance amongst students and parents.
- To positively enforce punctual attendance morning and evening and at each class throughout the day.
- To maintain an effective attendance record-keeping system through our admin system Vsware
- To develop suitable intervention strategies to improve school attendance and punctuality.

5. POLICY CONTENT

5.1 National Educational Welfare Board

Under legislation every child must attend school regularly up to sixteen years of age or complete at least three years education in a post primary school; whichever comes later. The National Educational Welfare Board (NEWB) was established to support school attendance and follow up on children who are not attending school regularly.

As a parent you must notify the school if your child is absent and the reason why. It is school policy that explanations must be given in writing. The school will notify the Educational Welfare Board if a child is absent for 20 days or more or where the absence gives rise for concern. This is outlined below:

5.2 The Education (Welfare) Act 2000, Section 18

Where a child is absent from the school at which he or she is registered during part of the school day, or for a school day or more than a school day, the parent of such child shall, in accordance with procedures specified in the Code of Behaviour, prepared by the school under section 23, notify the Principal of the school of the reasons for the child's absence.

5.3 The Education (Welfare) Act 2000, Section 21 (4)

The Principal of the school concerned shall inform, by notice of writing to the Educational Welfare Officer,

Where:

- 1) A student is suspended from a recognised school for a period of not less than 6 days.
- 2) The aggregate number of school days on which a student is absent from a recognized school during a school year is not less than 20 days.

SMGS recognises the importance of good attendance and punctuality.

Regular or prolonged absences will have a negative impact on a student's learning and development and therefore should be avoided whenever possible. The school has an Attendance Strategy in place, the aim of which is to promote good attendance in the school. Poor punctuality has a similarly negative impact on the learning of the student, and has the further effect of disrupting the class into which the student is arriving late. The guidelines below should be adhered to by all students.

Lunch is from **12.50pm** to **1.30pm**. (exception being Wednesday) and students are expected to be in their classrooms by **1.25 pm** upon their return from lunch. Time in between lessons should only be used to prepare for the next lesson.

3. When a student is absent, the student must present an absence note to their class teachers on the day they return to school.
4. Teachers must put the absence note into the post box outside main hall on the day of the student's return to school.
5. A student may not leave school during the school day without permission;

- If a student needs to attend an appointment, he/she must present a note in his journal to the Principal / Deputy Principal before 08.30am where it will be signed / stamped and upon leaving for the appointment the student must also show the note at the office and sign the **OUT BOOK**.
